During the February Board meeting, the Board made a motion and approved 10 petition cases to be forwarded to the Office of Administrative Hearings for assignment to an administrative law judge. Some of those cases are still in the process of being finalized, but this action cleared the petition backlog.

To date, a total of twenty petitions have been received this fiscal year. Two petitioners have withdrawn and two are in que to be heard; one is awaiting fingerprint results and the other decided to postpone until the August Board meeting.
